

Whistleblower Policy

Purpose

As indicated in its Code of Business Conduct and Ethics, Doman Building Materials Group Ltd. and its subsidiaries and affiliates (Collectively, “**Doman**” or “**Doman Entities**”) have a strong commitment to the conduct of their business in a lawful and ethical manner. Directors, officers and employees of the Doman Entities (collectively, “**Doman Personnel**”) are expected to talk to supervisors, managers or other appropriate personnel about concerns they may have in respect of illegal or unethical behavior and when in doubt about the best course of action in a particular situation. It is the policy of the Doman Entities not to allow retaliation for reports of such conduct made in good faith. It is, at the same time, unacceptable to file a report knowing it is false.

The Doman Entities require honest and accurate recording and reporting of information. The Doman Entities’ accounting records are relied upon to produce reports for management, directors, shareholders, governmental agencies and persons with whom the Doman Entities do business. All of the Doman’s financial statements and the books, records and accounts on which they are based, must appropriately reflect the Doman Entities’ activities and conform to applicable legal, accounting and auditing requirements and to the Doman Entities’ system of internal controls.

Scope

This policy applies to all Doman employees.
